

WRITING ABOUT NEW WORDS

INSTRUCTIONS

Use the following words in complete sentences. Include context clues so others can figure out the meaning of the word.

EXAMPLE

Avoid – to stay away from something

I avoid the students who are doing bad things by walking away from them.

1. Friendly – nice, easy to get along with

2. Challenging – hard or difficult

3. Entirety – the whole of something

4. Observe – to see or notice something
